ABOUT PERSHING AND BNY MELLON

Founded in 1939, Pershing has more than 80 years of Wall Street experience. Our name is taken from our founder, Warren "Jack" Pershing, the only son of celebrated World War I General of the Armies, General John J. Pershing. Our parent company, BNY Mellon, a leading provider of investment management and investment services, was founded by Alexander Hamilton in 1784.

Award-winning Technology

Pershing's technology powers many of the world's leading financial companies. In addition, our investor portal gives you a direct window into your financial world—with 24/7 access to accounts, financial information and market data.

People Who Make the Difference

Pershing and its affiliates employ thousands of dedicated employees in locations worldwide.

Securities Investor Protection Corporation (SIPC®) Coverage

Pershing is a member of SIPC. Securities in your account are protected up to \$500,000. For details, please see www.sipc.org.

Excess of SIPC Coverage Through Underwriters at Lloyd's and Other Commercial Insurers

In addition to SIPC protection, Pershing provides coverage in excess of SIPC limits from certain underwriters in Lloyd's insurance market and other commercial insurers.

The excess of SIPC coverage is valid through February 10, 2022, for Pershing LLC accounts. It provides the following protection for Pershing LLC's global client assets:

- An aggregate loss limit of \$1 billion for eligible securities—over all client accounts
- A per-client loss limit of \$1.9 million for cash awaiting reinvestment—within the aggregate loss limit of \$1 billion

SIPC and the excess of SIPC coverage does not protect against loss due to market fluctuation.

An excess of SIPC claim would only arise if Pershing failed financially and client assets for covered accounts—as defined by SIPC—cannot be located due to theft, misplacement, destruction, burglary, robbery, embezzlement, abstraction, failure to obtain or maintain possession or control of client securities, or to maintain the special reserve bank account required by applicable rules.
